I also understand and acknowledge that GCSS has not evaluated, tested, or screened the care provider or respite care agency, and that GCSS makes no representations about the care provider or his or her capability or suitability.

I accept that it is my responsibility as a family member in using this program to select a respite care provider or agency to provide respite to my family member with a disability. I understand that it is my responsibility also to determine the suitability of the respite care provider or respite care agency to provide adequate care to my family member, to acquaint them with the particular needs of my family member receiving respite care and provide evaluation and supervision of all respite care received by my family member. Therefore, on my own behalf and on behalf of my family, I freely and voluntarily accept all risk of personal injury and property damage arising from my family's participation in the Program.

In consideration of my being allowed to participate in the Program and to receive a respite care voucher, I hereby release and discharge GCSS, its officers, directors, employees, agents, and successors, from any and all claims losses and demands whatsoever that I or my family may hereafter have for injuries or property arising or resulting from my and my family's participation in the Program, all of which claims I hereby waive. will not compensate me or my family in any way for any loss or injury I or my family may sustain. I understand and agree that this waiver and release will be fully binding on me, all members of my family, our estates, and our heirs, and that neither I nor any member of my family nor anyone claiming through me or any member of my family will have any legal right assert a claim against GCSS or its officers, directors, employees, and agents or any of their successors, relating to me and my family's participation in the Program.
